

El mundo de maravillas
1 de Abril de 2020

Español	Inglés
Hay una playa pequeña con piedras	
	There is a dirty river
	There is a cactus in the desert
Hay cataratas altas en la montaña	
	There is a salty lake
	There are crystals in the cave
Hay pilares de luz en el cielo	
Hay muchas personas detrás del geiser	
	There is a red rainbow in the sky
	There is a pink lake

	I want to climb there
	I would like to see that place
	How beautiful!
	The colors are incredible
	I like to swim in warm water
	It is very strange
	It is very dirty
